230°C

Ceramic Tourmaline

HP4686

Straight hair has never been so easy

SalonStraight Control

Take control with the SalonStraight Control. Advanced Ceramic Tourmaline plates coupled with a professional styling temperature of 230°C give you the power to create beautifully shiny, straight styles.

Professional results

- Rubber handle grip for easy salon performance
- Ceramic Tourmaline plates for sleek, frizz-free shiny hair
- 230°C professional high heat for perfect salon results
- Adjustable heat settings to ensure smooth results for every hair type

Prevents damage

- EHD+ technology for more protection and shinier results

Time saving

- Instant heat: ready to use within 30 seconds

Easy to use

- Easy storage hook for convenient storage
- Swivel cord to prevent tangled wires
- Dual voltage for worldwide use
- Automatic shut off after one hour for extra safety
- On/off indication light
